

WME AUTHOR, DR SUSAN L. REID, RECOGNIZED AS FINALIST IN NATIONAL 2008 NEXT GENERATION INDIE BOOK AWARDS

ROCHESTER, N.Y. (June 2, 2008) - WME Books, a division of Windsor Media Enterprises, LLC, is delighted to announce that author Dr. Susan L. Reid's book, *Discovering Your Inner Samurai – The Entrepreneurial Woman's Journey to Business Success*, has been recognized as a finalist in The National 2008 Next Generation Indie Book Awards 'Business' section. The winners and finalists were announced at the recent Book Expo America in Los Angeles. WME Books wishes to congratulate Dr. Reid on this recognition.

"Writing a book is a tremendous task," says Yvonne DiVita, founder and President of WME Books. "Susan was determined to write a book that would help women discover what she calls our Inner Samurai – that inner voice we all have, which whispers to us from our 'inner knower.' I certainly learned a lot about my Inner Samurai while working with Susan on this book. I recommend it for men, also."

The National 2008 Next Generation Indie Book Awards is an annual competition. Its purpose is to provide opportunity for independent, small press, and self-published authors and publishers, to achieve the recognition they deserve within the publishing industry. The awards, sponsored by Smarketing, LLC, are judged by an independent panel of publishing experts in editing, publicity, marketing, and design.
