

WME BOOKS RELEASES *DISCOVERING YOUR INNER SAMURAI*, A NEW BOOK FOR WOMEN ENTREPRENEURS

ROCHESTER, NY (November 7, 2007): On November 1st, WME Books announced its latest book release, *Discovering Your Inner Samurai: The Entrepreneurial Woman's Journey to Business Success*. The author is Dr. Susan L. Reid, a professional consultant who has spent more than twenty years helping women entrepreneurs to be victorious in their business and life endeavors.

Discovering Your Inner Samurai teaches women how to uncover the talents and skills needed to make them a winner at business success. "My book demonstrates how you, too, can instantly access your inner guidance system for success," Reid says. "It's what I call your 'Inner Samurai'."

In her book, Reid shares her experience of working with people focused on making a difference in their lives and in the world around them. She teaches readers to have confidence in their knowledge and use their intuition to help guide them along the path to success.

"This book is bursting with the kind of inspiration entrepreneurs search for, day after day," says Jordan Adler, a nationally recognized Network Marketing Entrepreneur.

Engaging! Enlightening! Empowering! Proclaims Carol Cleveland, a PhD at Transition Dynamics Enterprises and author of *Your Dream Career for Dummies*. "Susan's delightful real life stories illustrate how just a slight shift in how you see yourself, your business, and your life can catapult you into a new level of success."

"This new hard cover edition is a beautiful publication," states Yvonne Divita, President of WME. "And its release is just in time for the holidays. It makes a wonderful gift for relatives and friends."

This is the first book that WME Books has produced in a hard cover version. “The sales and excitement generated by the soft cover certainly justified a hard cover edition,” says Tom Collins, VP of Production. “We think it looks terrific.”

The hard cover price of *God Spare Life* is \$29.95 (plus S&H) and is available from the WME Books Website bookstore.
