"Yvonne is a fantastic editor. She formed my academic writing into a cogent storyline. She is an inspiration to any writer and has pointed me in the right direction many times over. She is also an absolute joy to work with. She makes the tedium of writing fun and challenging. I highly recommend her! ~ Mary T. O'Sullivan

Yvonne goes where no visionary has gone before, to be a bit cliché but totally true. She sees a need where one did not exist, has the fortitude to see it through to completion, and is a team leader in motivating others to come aboard and join her passion.

~ Carol Bryant President of the Dog Writer's Assoc.

Yvonne has been a part of the BlogHer community since its inception in 2005. She is one of a very small number of women who have been repeat speakers, precisely because she brings such expertise, reliability and passion to the dais.

~ Elisa Camahort Page Founding COO of BlogHer

My publisher/author advisor, Yvonne DiVita, went above and beyond in helping publish [my] books. I appreciate her taking on the role of surrogate counselor during some difficult times, many unrelated to the book itself.
